

CSQ SKILLS ASSESSMENT AND GAP TRAINING PROGRAM

As a recipient of funding, TAFE Queensland is proud to support Construction Skills Queensland (CSQ) and their ongoing financial and professional contribution to the Queensland building and construction industry.

The Construction Skills Queensland (CSQ) Skills Assessment and Gap Training program provides funding for career seekers and existing workers in the civil construction and building and construction industries to access subsidised Recognition of Prior Learning (RPL) and gap training to gain an initial trade qualification.

HOW DOES IT WORK?

CSQ funding is paid directly to TAFE Queensland. Where CSQ funding doesn't cover the full cost of your fees you will be required to contribute towards the remaining course fees.

Participants of the program will undertake a skills assessment to determine any RPL and gap training requirements.

The cost of RPL and gap training will depend on your individual skills assessment and the qualification you undertake.

Qualifications must be completed by 30 September 2024.

If you are interested in a course, contact us to find out more.

ELIGIBILITY

To be eligible for funding, participants must be eligible workers or unemployed eligible workers in the civil construction or building and construction industries in Queensland who are one of the following:

- An Australian or New Zealand citizen
- A permanent resident of Australia
- A visa holder with the right to work in Australia (excluding international student visa holders)

Eligible workers must be employed in Queensland. Participants must be able to demonstrate Recognition of Prior Learning (RPL) experience in 70% or more of the competencies required to complete the full qualification.

A participant must undertake a minimum of two (2) gap training competencies and a maximum of ten (10).

Additional eligibility requirements may apply. Please contact TAFE Queensland for more information.

The Skills Assessment and Gap Training program is an initiative of Construction Skills Queensland (CSQ). Eligibility criteria applies to all CSQ funded programs. For more information visit CSQ.org.au
